2020 VISION FOCUSES INTO VIEW

Laramie Christian Academy opened its doors on August 27th, 2020. Home to 21 students grades K-8, five teachers, and over 14 weekly volunteers, the activity in the hallways each day echoes God's love. Students start each day with a prayer in class, followed by the Pledge of Allegiance. Bible lessons are infused into every subject, and weekly Chapel is a further opportunity to learn about God's love in practical everyday ways.

"I was walking down the hallway and saw the kids sitting at their desks reading their Bibles and praying, in their school classroom; it brought tears to my eyes."

-- LCA admin on the 1st day of school

Parent reflection on their child's experience at the Academy: "I pinch myself each day more in disbelief of our blessings by being a part of such an AMAZING & AWESOME community with LCA!"

Another of LCA's top priorities is Academic Excellence. Small class sizes with individualized instruction help LCA students thrive. Students are finding success in new and higher ways this year through our specialized curriculum. Through classroom lessons, equally influenced by both Classical Christian and Charlotte Mason educational philosophies, students are discovering learning to be engaging, fun, relevant, and stimulating.

MEET OUR AMAZING TEACHING TEAM

Each of our incredible teachers contributes a unique gift-set as they pour their time, energy, and God's love, into LCA students each day.

We honor their commitment to our students and prioritize startup funding to instructional positions only.

Our teachers are the heartbeat of LCA, and our students are so blessed to have their talent, nurturing, expert mentorship, and instruction.

Watch for monthly teacher spotlights, coming spring semester 2021.

A FAMILY OF FAMILIES JOIN IN AND SUPPORT LCA!

ADMIN TEAM BODY OF CHRIST IN ACTIVE LEADERSHIP

For the 2020-2021 School year, four dedicated founding LCA Board Members partnered together to administer Laramie Christian Academy. Sharing the role of Academy Principal, they each serve LCA in a Volunteer capacity, as Academy Chaplin, Program Manager, Academy Dean, and Academy Manager. It is the Body of Christ in Action as each brings a unique set of leadership skills to the Academy and together lead LCA through a trailblazing year. Of course, guiding them all is the Holy Spirit, through daily and weekly strategic prayer. God's design is visible within the leadership structure of this Academy and through the people who have stepped into the action.
