CLASSROOM SPOTLIGHT 3RD-5TH GRADE CLASS

Guten Tag! Mrs. Norton's third and fourth graders spent time last month learning about Germany! They studied German culture, food, and even learned how to count to ten in German. The students' favorite part of studying Germany, though, was learning all about the hundreds of magnificent castles found throughout the country.

The class took a deep dive into architecturally common castle designs, and spent an afternoon using clay and other materials to create their own castles and kingdoms!

Students tied their study of castles into their English lesson on narrative writing by writing a fictional story detailing what happened in their made-up kingdoms.

Since completing their study on Germany, students have moved onto learning all about the African country of Kenya. It has been a very culturally diverse year studying world geography inside our classroom!

3RD-5TH GRADE

MRS. SALLY NORTON

With a Bachelor of Arts in interdisciplinary studies for Elementary Education from Western Governors University and a Wyoming teaching certificate, Mrs. Sally Norton brings a well-rounded set of experience to her class. With additional experience coaching Basketball and teaching English to students in China online, Mrs. Norton comes to Laramie Christian Academy with a wide variety of talents, experiences, and passions.

Equally passionate about Christian Education, her own dedication to Classical Christian Schooling began in public high school when she was suspended for reading her Bible during free reading in class. Understanding what was at stake, she personally drove over to the local Christian School to meet the principal, tell her story, and enroll herself in a school that would allow her to read her Bible. Now as a teacher, she remains dedicated to Classical Christian Education and is excited to be part of Laramie Christian Academy and all that God is doing in our founding year.

LCA MASCOT CONTEST

Students, staff, family, and friends were invited to submit ideas to the LCA Admin Team for the new Laramie Christian Academy school Mascot. Ideas were collected through February 12, 2021, all of which will be reviewed by the Admin team.

"We are excited to see all the creative ideas everyone has submitted! I can't wait to see which one is chosen," reflects Holly McKamey. The winning mascot idea will be announced at Academy Assembly, in the following Monday Memo and later, on Facebook and our website. "It's one of the unique advantages to being in the first class at LCA, to help select what will represent our Academy for years to come."

The LCA mascot contest is just one example of how we are blazing the trail and marking the course as we follow Jesus on this incredible journey of Classical Christian Education in Laramie during our miraculous first year.
