## LCA PREPARES FOR EXPANSION

TWO GRADE CLASSROOMS COMING FALL 2022

In response to increased community interest and enrollment, we are excited to announce an expansion to our classrooms for fall for 2022 splitting our classrooms from three grades per classroom to two. Our classes for fall are scheduled as: K-1st grade classroom, 2-3rd grade classroom, 4-5th grade classroom, 6-7th grade classroom, and etc.

Anyone considering enrolling as new students next year are encouraged to enroll sooner rather than later as we already have limited space remaining in some classrooms. This last school year we turned away students in two classrooms (six grades) due to being at classroom capacity.

“Enrolling early allows Academy Admin to respond to enrollment demands and may even enable us to split classrooms further, if we have time to hire another teacher;” says Academy Principal Holly McKamey.

Anyone interested in teaching at Laramie Christian Academy may apply on our website at <https://www.laramiechristianacademy.com/connect/teacher-application/>.

## MRS. ALEXIS ALBRECHT - K-2 TEACHER

We are excited to announce that Mrs. Alexis Albrecht has joined our staff as our new K-2 teacher. Her first day in the classroom was the first day of our second semester.

Mrs. Albrecht was a part of our start-up team in 2019 and early 2020. Her contributions were valuable in helping us decide curriculum and structure, which ultimately confirmed our path as a Christian Classical Academy. We were so blessed to have her assistance in the early formation of our school and are thrilled that she is returning with us now as a teacher. We are looking forward to finishing out the remainder of the school year under Mrs. Albrecht’s dedicated teaching.

"I graduated from the University of Wyoming in December 2019. I graduated with a bachelor's degree in Elementary Education with a focus in the creative arts. I was saved by God's Grace when I was 8 years old, and since then I have seen His divine hand work in all areas of my life. I am looking forward to joining the LCA team!" -- Mrs. Albrecht

# FIELD TRIP TO ICE CENTER

*Students and staff alike enjoyed our field trip of the month to the Ice and Event Center. As a school, we ate our lunch in the lobby and then had an amazing devotional by Mr. Doug Wookey. Once we all had our skates laced up, we hit the ice. Mr. Wookey gave lessons to students and taught us to balance, (think about our favorite food, look up, and hold our hands in front of our waist).*

*Older students helped younger students and all were courteous and caring as everyone had a great time skating. Once we finished, we headed back to school for the rest of the day. We celebrated our kind behavior while off-site further by a surprise pizza snack later that week.*
