

Laramie Christian Academy's Newsletter

At last the wall was completed to half its height around the entire city, for the people had worked with enthusiasm.- Nehemiah 4:6

BACK TO SCHOOL

ANOTHER YEAR OF REBUILDING "THE WALL"

The "Wall of Protection" that Christian Schooling is for Laramie is well on its way to completion. As Laramie Christian Academy looks forward to a fantastic second year, we are forever grateful for all that God did last year.

We are truly grateful for all the wonderful people who worked with enthusiasm our first year!

As only God can do, in a year where schools across our nation were shutting down, we opened doors to 23 total students grades k-8. In April, Preschool Bible time joined LCA, bringing an additional eight preschool students and an awesome preschool program to our doors.

As we look with excitement towards our second year, we recognize our start-up journey is not yet complete. We receive a phone call about every other week asking us if we are offering grades 9-12. As we plan for our second year as a Prek-8th grade Academy, we are also praying God will send the laborers to help us open doors to High School Students desiring a Biblically based, academically excellent school and culture. Anyone who is interested in helping may contact LCA via email at info@laramiechristianacademy.com.

"The harvest is great, but the workers are few. So pray to the Lord who is in charge of the harvest; ask him to send more workers into his fields." Matthew 9:37-38. Who knows, as you pray for God to send someone else, he may show you that you have yourself are being sent. Regardless, we are only able to open these grades if a few more people join our start-up team. Let's build the wall to its full height.

THE BIG "3" OF LCA

ACADEMIC EXCELLENCE

BIBLE INTEGRATION

RESILIENT HOPE IN JESUS

LCA IS AN OFFICIAL

MEMBER OF THE

ASSOCIATION OF

CLASSICAL CHRISTIAN SCHOOLS

WHAT FAMILIES SAY ABOUT LCA

- There has been excellent teaching in the Bible and in academics. Also, our child loves attending school here.*
- It is the best education option in Laramie for our son and he is growing academically and spiritually in the environment of LCA.*
- I like the curriculum they are being taught, I like the support our children are given at this school, and that when there are difficulties, they are dealt with from a Biblical perspective. Our children have been held to a high academic standard, which has been good for them.*

MICHELLE NUNNALEY - LCA BOARD CHAIR

The LCA Board of Directors voted Michelle Nunnaley as the new Board Chair. Michelle is married to TJ and is a mother of 4 children; her youngest two are enrolled at LCA. She works as a chemist for the State of WY Department of Agriculture at the analytical services laboratory.

Michele is passionate about Laramie Christian Academy. We are doing the work of the Lord through teaching students Biblical Knowledge and truth without worldly influences. "Christ-centered education, for my youngest boys, is especially important because the world is much more volatile now than even a just a few years ago. I want them to have grounded instruction." We are preparing our children to go into a world that rejects Christ, and we need them

to be rooted and grounded to stand up to the trials they will face. Nunnaley observes that Christian children who are educated through the public school system are missing this vital preparation.

When not working, attending LCA board meetings, or parenting, Michelle enjoys weightlifting, hiking, Bible Study (she really enjoys them!) and doing activities with kids sports and clubs. She LOVES quiet time to herself but naturally doesn't get a lot.

Nunnaley is gifted in administration and detail organization. LCA board of directors is grateful to her for her organization at our meetings in keeping LCA Board of Directors on task.
