RANCH ROOTS RUN DEEP

FIELD TRIP TO THE JOHNSON 99 RANCH

Students at Laramie Christian Academy were blessed with a fall field trip on the Johnson 99 cattle ranch. Rich in heritage, the Johnson 99 ranch has been in operation for over 4 generations and still has buildings standing that are over 200 years old. Students learned all about cattle ranching from growing hay, training the ranch horses, calving, fencing, herd health, goats, cats, and large equipment. The hayride was a favorite and many students loved learning about ranch horses.

Students took home a bag of items from the Wyoming farm bureau federation. Older students were challenged to consider unique career opportunities within the ag industry and everyone left with a greater appreciation for all that goes into raising our beef. Thank you Johnson 99 Ranch!

NEW PLAYGROUND PARENTS BLESS LCA

LCA is so thankful to parents who donated funding, and time in providing new playground equipment for our students. Our new playground is a hit for students ages 3-12.

CHRISTMAS BAZAAR REQUIRED FALL FUNDRAISER

Laramie Christian Academy prioritizes affordable tuition. We partner with families, churches, businesses, and donors to fund our academy and keep tuitions low.

We do many fundraisers throughout our school year which are optional, however we ask all families enrolled in the K-12 grades to participate in two required fundraisers per year.

The Christmas Bazaar is the required fundraiser for fall semester. Many parents ask what does "participation" mean.

We ask that families contribute to the Christmas Bazaar in four specific ways: 1) pray, 2) spread the word, 3) donate items to sell, 4) help at the event.

Anyone unable to participate in all four ways may connect with the office to see about an equivalent exchange.

The Christmas Bazaar has historically been our most successful fundraiser for the school year. Our goal this year is to raise \$15,000.

"The Christmas Bazaar is one of my favorite ways to get to know other families. The time spent in community during crafting days, and at the Bazaar itself is really special."

PRESCHOOL BIBLE TIME -- MEET OUR TEACHERS

JENNA ANDERSON

Ms. Jenna Anderson begins her fourth year with us having joined Preschool Bible Time in Fall of 2019. She grew up in Texas and moved to Wyoming to be closer to family and finish school. "I'm currently studying early childhood education, so working with preschoolers is exactly what I want to do." Mrs. Anderson is enrolled in the University of Wyoming pursuing her early childhood and elementary degree. We are blessed to have Ms.

Anderson continue with us for her fourth year as lead teacher and classroom curriculum director on Monday, Wednesday, Thursday and Friday.

BRIELLE DENBOW

Mrs. Brielle Denbow continues on Preschool Bible Time staff for her second year as an Assistant Teacher for Tuesdays. Brielle is mother to Hudson (8) and Charlotte(4). She also is the wife of Nate Denbow, Pastor of Calvary Laramie. Mrs. Denbow is passionate about women's Bible study and enjoys hiking, skiing, and reading by a cozy fire with some tea. "I am excited to be able to teach at the preschool and love seeing the kids grow in their

knowledge of and love for the Lord." Mrs. Denbow often makes up finger games on the spot or other engaging play while at Preschool Bible Time.

LOUIE PEREZ

Mr. Perez joined Preschool Bible Time as a Substitute Pre-K teacher this month. Like all of our Pre-K teachers, he is fully approved by the State of Wyoming to teach in our preschool. He is a welcome addition to our team. Mr. Perez is finishing his masters degree in history at UW, and is also a recess teacher, classroom aide, and substitute teacher for LCA's K-12 program. Students and staff alike observe Mr. Perez' flexible and joyful approach to teaching. He is motivating and inspiring.

Mr. Perez is married with two young children, a newborn and an almost two-year-old. His family attends church at Calvary Laramie. Laramie Christian Academy and Preschool Bible Time are blessed to have Mr. Perez on our amazing teaching team.

Mrs. Christy Hornor returns for her second year as Preschool Bible Time's Administrative Preschool Director. She is often behind the scenes taking on many of the admin tasks for our in-demand program. She also serves as a substitute whenever needed.

Mrs. Hornor and her husband have 4 kids (2 boys and 2 girls, ages 11, 10, 8, & 4). When not

at the preschool, she spends time with at-home tasks, playing piano, cooking, baking, leading at AWANA and praying continually. "My joy is to see God working, especially in showing me how much He loves your kids!"

CHRISTY HORNOR

Ms. Percifield is our newest Preschool Bible Time teacher. She joined our team in late August as an answer to prayer, resulting in full-staffing for our preschool.

Ms. Percifield is pursuing her degree in Psychology and Counseling & Global Studies at Crown College, and is actively involved with Campus Ventures.

Our preschool is blessed by

Ms. Percifields sunny outlook and cheerful glow. Students respond well to her easy and kind personality and all find a friend in knowing her.
