See, I am doing a new thing! Now it springs up; do you not perceive it? Isaiah 43:19

ANNUAL CHRISTMAS BAZAAR

INVOLVEMENT CREATES COMMUNITY AND FELLOWSHIP

SAT. NOV. 19TH 10AM - 2PM

First Baptist Church Fellowship Hall at 1517 E Canby

Our fundraising goal this year is \$15,000. Preliminary tallies show we have raised 91% of that goal!

One family has offered to donate a booth at the UW Bazaar December 9th for additional sales of our crafty items.

This year, LCA hosted three different opportunities to craft together for fellowship, fun, and creating fabulous handmade treasures. Time spent crafting and visiting together is a highlight for many families.

On the day of the Bazaar, time together working further built community and paved the way for families to deepen relationships.

This year's Bazaar featured well represented crafts from diverse genres. Something for everyone could be found with items in all price ranges. The creativity and quality among items was spectacular.

Also a huge hit this year was our giving wall. Envelopes from varied options represented dollar amounts which generous donors, gifted to our academy.

VETERANS DAY PROGRAM

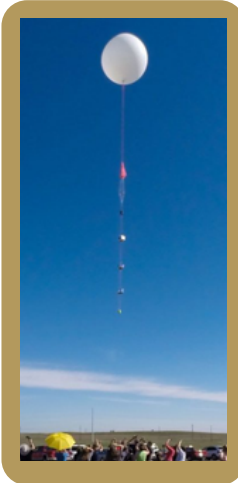

Veteran family members of LCA students were invited to join us for a special Veterans Day Assembly November 11, 2022. We met this year in the church fellowship hall and welcomed parents, grandparents, and other family members to join in our celebration. Through patriotic songs, videos, and testimony of our veteran guests, students honored the sacrifice our veterans made for country.

Mr. Reney shared his story of how he served. LCA students handmade cards to thank our veterans and each Veteran received three cards each, from four different classes. Just a small token of our gratitude for the sacrifice these Veterans made in serving our country.

We appreciate and thank all who serve our country to protect the freedoms we cherish. We recognize that freedom isn't "free" and are honored to say "thank you" to those dedicated individuals who sacrifice so we can live free. Thank you and may God's Blessings surround you!

WEATHER BALLOON LAUNCH TAKES LEARNING TO NEW HEIGHTS

On December second (or December ninth if the second is too windy) LCA students will launch a payload of items into the stratosphere. Using a weather balloon equipped with cameras, twelve pounds of items, and a parachute for the landing, LCA students will study the effects of the atmosphere.

Our oldest class will follow the balloon via vehicle to the landing site to recover the items which will be brought back to LCA and observed. The entire flight will be videoed with three camera views and recorded for students to watch. Observations pre and post flight can be used to confirm or deny hypotheses and observe the effect of our atmosphere on matter.

THANK YOU

LCA sends out a HUGE thank you to all who made our Christmas Bazaar a success. We recognize your generosity as you rose to the call.

We are grateful to all who prayed, spread the word, crafted, and helped at the event. Many hands did make light work.

We are especially grateful to the heavy lifters of this event. We would like to recognize April Cleven for her gifts in organizing, coordinating, and ensuring our event was a success. Thank you!

LCA admin would also like to thank April Bateman for representing the board finance committee in decisions regarding the 2022 Bazaar. We appreciate you.

DONUTS WITH DAD, MUFFINS WITH MOM

One new family activity LCA started last spring is Donuts with Dad and Muffins with Mom. Moms and Dads are invited to join LCA students in the mornings for a donut or muffin and then participate in our starting routine, prayer and pledge.

We hope to offer this program five times through the academic year approximately every other month. Students and parents enjoy extra fellowship and starting the day off focusing on God and our country. Parents also enjoy meeting other parents and connecting with the LCA family of families. Catching a glimpse into the LCA day, and student prayer is a real blessing for parents and students look forward to the event excitedly.

Students may bring other men and women in their lives that are mentors or motherly/fatherly figures (please see LCA admin for requirements if this person is an older sibling). Also any time dad or mom is unable to join us, students may take home a muffin or donut for their mom or dad to enjoy after school.

THE BIG "3" OF LCA

ACADEMIC EXCELLENCE
BIBLE INTEGRATION
RESILIENT HOPE IN JESUS

LCA IS AN OFFICIAL

MEMBER OF THE
ASSOCIATION OF
CLASSICAL CHRISTIAN SCHOOLS
