See, I am doing a new thing! Now it springs up; do you not perceive it? Isaiah 43:19

FEED THE NEED

KICKS OF WITH FELLOWSHIP AND FUN

With just over 100 in attendance the kick-off event brought family and friends together over tacos. The official kick-off to our second semester required fundraiser filled the fellowship hall with fun. How awesome that fundraising together also brings opportunity for connection. Seeing our entire family of families gathered in one place brings Academy community into focus.

The kick-off event not only detailed our project's mission: to pack and ship 10,000 meals for orphans and school children in Haiti, but also included lots of fun and incentives.

Incentives for both individuals and the entire school continue throughout the fundraiser which concludes April 14th at the packing party. Incentives include: Balloon Pops for every \$200 earned, and school-wide, . . .

. . . Unlock The Fun. At 25% we dunk Mr Perez, at 50% we have a school wide Ice Cream Party, at 75% Mrs. McKamey kisses a pig and at 100% the school earns a LEAP play date.

Balloon Pop - Every \$200

Dunk Mr. Perez at 25%

Ice Cream at 50%

CROSS COUNTRY SKI FIELD TRIP

For many students our cross-country ski filled trip was by far the best field trip LCA has taken. An entire day skiing on Happy Jack cross country ski trails provided fun for all skill levels. Younger students learned to fall and get up, they skied to the picnic area to recharge with a snack before heading back. Intermediate students skied back to elevator hill where they circled back for many descents, enjoying the drop. The more advanced and older students enjoyed the many trails further back.

Our Ski trip was also well attended with family volunteers. Many helpers and great adult/student ratios helped ensure every student has the support they needed to enjoy cross-country at whatever level they were able.

STAFF SPOTLIGHT

MRS. CLEVEN

April Cleven blesses Laramie Christian Academy through keeping us organized in the office for the third year.

Mrs Cleven joined the LCA office staff in August 2020 first as a volunteer. Her skill at organizing, and communicating quickly became an asset as Laramie Christian Academy grew from a K-8 school to a Prek-High School.

As a mother of five children, who is also active in church, 4-h, raising dairy cows, and horses, we are fortunate to have her contributions in the LCA business office. April works daily in the afternoons and, among other weekly tasks, keeps the Tuesday Tidings up to date with weekly announcements. We are so thankful to have Mrs. Cleven among our awesome team of staff who both teach and keep LCA running smoothly.
