For I know the plans I have for you, "declares the LORD, "plans to prosper you and not to harm you, plans to give you hope & a future. Jer 29:11

Romans 6:16 says, "Do you not know that if you present yourselves to anyone as obedient slaves,

you are slaves of the one whom you obey, either of sin, which leads to death, or of obedience, which leads to righteousness?"

Laramie Christian Academy first opened its doors four years ago during an era of American history that both seems like just yesterday, and a lifetime ago. Although Covid obstacles abounded, God never hit the pause button on the Believer's call to Godly obedience. It would have made sense to hit the brakes on opening LCA if we were relying on the wisdom of this world. However, we believe that He fully equipped the founders, donors and staff of LCA to do the work He set before them through grace-driven obedience made possible by the Holy Spirit.

Four years later, God is sanctifying His sons and daughters while He sends out the ripple effects of righteous obedience into our little community. God appointed the placement of each and every one of the students filling the classrooms for a sovereign purpose. We pray that God would increase enrollment by continuing to bring more families to LCA. He graciously allows us to partake in sowing and nurturing of the seeds of the Gospel, all in preparation of His future harvest of the Church.

We are able to do this because you share our vision in expanding scholarships for families struggling to afford a Classical Christian education. Thank you for stepping forward in faith and partnering with us.

It is not secret that young people today are inundated with shiny lies that ultimately elevate

THE RIPPLE EFFECT OF RIGHTEOUS OBEDIENCE

the god of self over the God of the Bible. Adherents to this form of idol worship convince themselves they

are free to do as they please but fail to recognize that in doing so, they are enslaved to the very sin they believe brings their liberation, but instead leads to death. The value and importance of a Classical Christian education in times like these cannot be overstated. When LCA students go into the world, our prayer would be that they would submit themselves as slaves to God, and ultimately find liberty from sin and death.

With your financial support, we are able to provide students with an affordable Biblical education that informs their worldview and enables them to defend against the enemy's fiery darts. When the idea of LCA was first conceived, we wanted to ensure that financial hardship or limitations were never the reason a family couldn't choose LCA. Because of your support, many Laramie families are able to send their children to a school that sees them not as a number, but as a tri-part being; made of body, soul, and Spirit.

Never underestimate the impact your obedient generosity is having on this little school and in our community. You are making an impact in the lives of young people for generations to come. This story is only beginning to unfold as more young boys and girls grow in their love for God. We look forward to seeing what God will do as He sends these future LCA graduates into a world that is so desperate for truth.

NEW WAYS TO GIVE

This past week, our Board of Directors met with the Wyoming Community Foundation to discuss the power of establishing an endowment at LCA for generations to come. Securing consistently reliable funding & long-term financial security is made possible by the versatility of endowments. This will allow us to accept an exceptionally wide range of gifts including, but not limited to real estate, personal property, IRA distributions, and mineral rights. These donations & funds are then permanently invested to support the vision of Laramie Christian Academy for generations to come. WYCF leaves LCA's principle intact, protecting the permanency of the endowment, while the steady 4% distribution ensures that the endowment can weather short-term emergencies. HOW YOUR GENEROSITY IMPACTS LCA FAMILIES

"We always wanted to provide our children a Biblical education, but when the Lord presented my husband with a major career change and our family with a subsequent cross-country move, we weren't exactly sure if we could afford it. Money has been a bit tighter than in the past, however LCA came alongside us and assured us that finances need not prevent us from providing our children with a

Classical Christian education. If not for the generosity of LCA donors, we would not have been able to bridge the gap this year. Knowing that my children are hearing the word of God woven into every subject is such a comfort to this mother's heart. In a world of chaos and confusion, LCA is equipping my children to hold fast to the truth that is found in Christ alone.
