THE IMPACT OF OUR DONORS

As we approach the Thanksgiving season, we take time to pause and thank you, our donors, for your impact in the lives of our students, their families, and our Academy. Each month we see God provide miraculously through your gifts to cover monthly expenses. Every gift, large or small makes LCA possible. Your impact is tangible, touching lives not just every day, but forming students for their future with infinite results. Thank you.

Unaffordable Tuition is Unavailable Education

We also recognize your partnership in prayer. As a school that is lead and directed by the Holy Spirit, we often say "Prayer is not just an important work, it is THE work." We are so thankful for the many donors who hear of our needs and join with us in prayer asking for God's provision.

Through these answered prayers we have seen God provide us with financing, teachers, students, curriculum, training, supplies and encouragement. Teachers who are resilient and stay not just one year but return multiple years. Student enrollment to sustain our school and facilitate growth in the ways we need to grow. Curriculum that is academically excellent, infused with the Word of God and facilitates a relationship with Jesus. Supplies, other than curriculum, are primarily donated to LCA; we currently fund very few supplies through our annual budget. Donated supplies that we are unable to use are shared with others through our neighborhood garage sale fundraiser, operation Christmas Child, and other non-profit community outreaches.

**PRAYER IS NOT
JUST AN
IMPORTANT
WORK**

**PRAYER
IS THE WORK**

As with all ministries, we are not immune to spiritual warfare. We know that He who is in us is greater than he who is in the world. Your prayers for encouragement and victory against the the spiritual forces of evil in the heavenly realms help us on the days when we experience the results of this spiritual battle. In some ways this is evidence that we are making an impact. Why oppose what's not making a kingdom impact? We are so thankful for your partnership with us in prayer as God enables us to teach through a Biblical lens in all subjects. Thank you for praying when the Holy Spirit brings us to mind and know that your prayers are making an impact!

WHY LCA PARENTS ENROLL (24-25 ENROLLMENT FORMS):

We want them to be challenged academically in an environment where they are free from the oppressive cultural narratives that dominate public schools

We don't wish them to be sheltered (as in never discussing culturally divisive issues), just not blindly indoctrinated without a care for biblical worldview.

To have a strong understanding of who God is, so that she can choose her faith herself someday, and have the tools to grow in her faith.

Teachers consistently speak God's truth about him, to him. They see his heart and value, not just his academic performance

You're training world changers not conformers

To find friends that are seeking the same things.
