

## Laramie Christian Academy's Newsletter

*"If the Lord wills, we shall live and do this or that." James 4:13-15*

### FIRST FIELD TRIP, FUN AND LEARNING

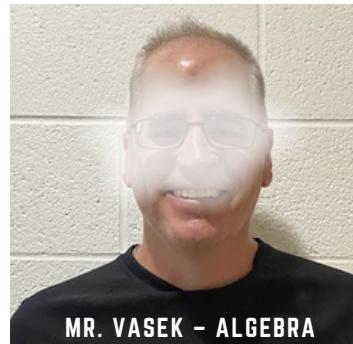

Our first field trip to the Air Force Reserve Base Discovery Days was a fan favorite again this year. Staff and students alike hailed the day as their favorite field trip of all. Booth after booth of interactive STEAM activities captured the imagination and interest of LCA students. From flight simulators to CPR, from arborist to electric company, from weather to robotics and everything in between. Learning is fun and many students found more to do than time in which to complete everything.

### LCA TEAM OF EXCELLENCE CONTINUES TO GROW

#### MR RHODE - SCIENCE - RHETORIC

In our Rhetoric School (High School), Mr. Rhode has joined our staff teaching Science this school year. Biology and Physics. Mr. Rhode uses science everyday through studies in engineering and is also an Infantry Team Leader, Wyoming Army National Guard. His approach to education engages both student's imagination and interest.

MR. RHODE - SCIENCE - RHETORIC

MR. VASEK - ALGEBRA

#### MR. VASEK - ALGEBRA

Joining us this year teaching Pre-Algebra to our 7-8 class, Algebra I to our ninth graders, and Algebra II to our 11<sup>th</sup> grader, Mr. Vasek brings 18 years of teaching experience. Also employed with the V.A. building access ramps for veterans, Mr. Vasek is able to serve LCA students on Tuesdays, Thursdays, and Fridays.

MRS. HILL

MR. BURR  
PRE-ALGEBRA SUBS

#### MRS. HILL, MR. BURR - PRE-ALGEBRA SUBS

Completing the team for Pre-Algebra in our 7-8 class is Mrs. Hill and Mr. Burr for the Monday's and Wednesday's that Mr. Vasek is unavailable. They bring both enthusiasm and excellence. Students look forward to both their teaching styles whenever they come.

## WHAT PARENTS SAY ABOUT LCA

*"Sending my children to a school that supports our families beliefs is essential. God commands parents to bring up their children in the knowledge and admonition of the Lord. Secular schools are both unable to do this and are directly opposed to doing this. I cannot in good conscience send my children to a school that is fundamentally opposed to our beliefs."*

*"I want my children to become individual thinkers. I like that classical education teaches them how to become learners. The most important reason is God is a part of every subject."*

*"My child is thriving and we are looking forward to continuing a small class environment where he will receive the support he needs. We are also grateful for the Biblical perspective in all subjects."*

*"We love it. We feel so blessed to have this option for our children's education. It is a great school. The kids are learning and growing in all areas."*
