For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see his invisible qualities—his eternal power and divine nature. So they have no excuse for not knowing God. Romans 1:20

FIELD TRIP – VEDAUWOO HIKE

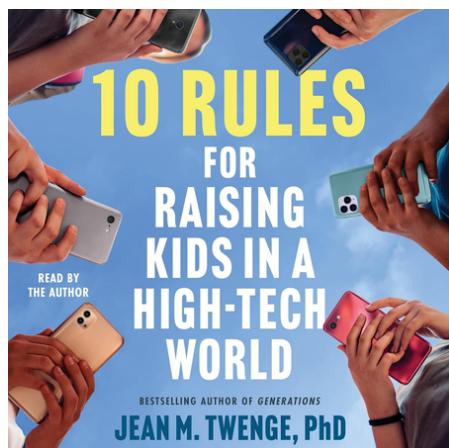

The excellent fall weather held out for a great hike around Turtle Rock again this year. The day started out chilly and brisk but by 10 am students were shedding sweatshirts and outer layers as the sun warmed the rocks. Each age group hiked a trail for their skill level some returning to school directly after lunch and others staying until later in the day. Students marveled in God's creation, reflecting on Romans 1:20 and on how spending time in God's creation helps us know Him better. How blessed are we that such beautiful trails are so close to Laramie?

NEW PARENT RESOURCES

This year's keynote speaker for the ACCS administrative summit was Leonard Sax. His four books are super relevant for parents and teachers in today's age.

He also recommended "10 Rules for Raising Kids in a High-Tech World" as an additional resource for parents. It's loaded with great tips, solutions, and advice for all things screens.

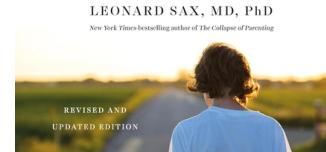

These resources are available on amazon, audible, kindle or wherever you purchase books/audio books.

LCA teachers really enjoyed Sax' teacher training on boosting boys' motivation and achievement in the classroom during our fall staff development.

Giving Grid

Our Giving Wall at the Christmas Bazaar is already going online. If you have friends/family who are unable to attend the Bazaar this is an easy way for them to support our students. Our goal this year is to clear the board. Every gift, large or small, makes an impact.
