FEED THE NEED -PACKING PARTY

Once again, the Feed the Need packing party on April second was a huge win. Not only did our school pack 10,040 meals to help feed those in need both in Laramie and on the other side of the world but LCA raised a total of \$31,761. Parents and Donors who observed and participated in the event commented on what a amazing opportunity and experience for the students to take such a interest in helping those in need. Seeing the students get excited about doing the work to make the meals was truly inspiring. We are so thankful to God for providing to our Academy through the many hands that gave, helped, and participated in this project. Go Beacons!

WyoTech Field Trip

Both a student and teacher favorite, our field trip to WyoTech was once again a huge hit. Room after room of workstations, provided lots to see, learn, and consider. As WyoTech students learn everything cars, from the tires to upholstery, LCA students received an inside peak at one of the awesome opportunities for students post high school. LCA is thankful to the WyoTech staff for hosting us again.

That One Trio

On April 10th Laramie Christian Academy students were treated to a musical feast by That One Trio. The trio sang songs across multiple musical genera including Folk, Blues, and Opera. Students and staff alike were both blessed and enriched by the gathering. We are so thankful to the LCA community for providing this opportunity for our students.
