

"Tell the people what the Lord has done" Ps 105:1b

BRINGING IN THE NEW YEAR WITH PRAYER

Since even before our inception, Laramie Christian Academy has been rooted in prayer. Founders started praying actively for a Christian school in Laramie starting in the spring of 2015. Through the next five years, those praying were also challenged to pray "what can YOU do to start [God's] school in Laramie?" As God first called LCA founders, then affirmed them and daily equipped them to do the work to start LCA, the Holy Spirit led them on the journey that resulted in our doors opening Fall 2020, a year when schools across our nation closed their own doors.

Prayer continues to be paramount and a daily part of LCA as our staff starts each day/shift in prayer. We regularly humble ourselves to ask God to lead and direct our paths daily and recognize that the transformative work of learning and growing in God's wisdom is ultimately up to Him. We set the table so to speak, but the transformation is up to Him.

For the past few years in January, we've partnered with parents to do prayer pods as we begin the new calendar year. Coming back from Christmas break and January blues can be a real challenge for students across the grades. The added coverage in prayer is both important and effective in strengthening our school in unity as we end quarter two and start quarter three, the third week in January. Staff and parents were able to connect either in person, over the phone, or via zoom to pray for family needs, as well as, school needs. Faculty and parents alike enjoyed petitioning to God together for our students and the needs of their families, as well as those of our academy.

The parent response and involvement in prayer pods was such an encouragement to LCA staff. We hope that families also felt cared for as we prayed together for family needs. LCA staff continues to be available to pray for family prayer requests both personally or as a staff (preserving confidentiality) in morning prayers. We are always open to praying for your family and are happy to do so; just send us a text/email.

Prays Together
Stays Together*

ICE SKATING HISTORICALLY A STUDENT FAVORITE - NOW AN ADMIN'S TOO

Our Ice Skating field trip for January was brought back by student request; many site Ice Skating as their favorite field trip of the year. Students enjoy both time on the ice, praising the Lord through physical exercise, and having the opportunity to shine the Love of Jesus to those at the rink. LCA students are not the only ones on the ice as we go during a public skate time and remind the students whenever we venture off campus to put on kindness according to Colossians 3:12.

Staff and Admin were impressed with the attitudes and actions of LCA students on the ice this year. Looking out for other families and their children as well as other LCA students and responding with a happy heart to teacher/staff requests made the field trip a blessed and wonderful time for all. Mrs. McKamey remarked, "I'm looking forward to going again next year!" at the end of the day.

Preview – Kindergarten/Freshman

The end of January and February mark the beginning of registration for the following academic year. This year LCA is hosting three group tour/programs for upcoming students.

Our Kindergarten Preview is for upcoming kindergarten students and includes a spotlight on:

- Classical Christian Education
- Why Christian Education is Paramount
- Academy Tour
- Kindergarten Classroom spotlight
- Q & A session

We also give away books, magazines, and have activities for siblings and upcoming kindergartners.

Returning Sophomore students met with Mrs. Cleven – LCA Rhetoric Dean for an informational meeting about:

- Up and Coming Rhetoric Program Developments
- Graduation Requirements
- Hathaway Requirements
- Electives and more

Upcoming Freshmen are invited to join the Freshman Rhetoric Preview on March 2 for an introduction into all things High School (Rhetoric) at LCA including:

- Up and Coming Rhetoric Program Developments
- Graduation Requirements
- Hathaway Requirements
- Electives and more
- Q & A

We also host private tours for prospective students and their families which may be scheduled by texting/calling the LCA office.

Rhetoric – Spotlight

January's fan favorite for Rhetoric - Life Skills was baking. What's better than learning to cook and bake; especially when it means boys can eat the fruits of their labor.

Students as a whole look forward to baking in the kitchen and learning recipes to try at home. These skills set LCA students ahead of others their age as they equip them for excellence at home, at college, and in life.

We are thankful for Mrs. Loretta Smith who donated time and talent teaching our students pie baking. These sweet gifts make life so tasty.

DATES TO REMEMBER

JANUARY 30 – KINDERGARTEN PREVIEW

FEBRUARY 13 – PIED PIPER DINNER THEATER

FEBRUARY 16 – NO SCHOOL

FEBRUARY 23 – FEED THE NEED KICK-OFF -TACO BAR

MARCH 02 – FRESHMAN (RHETORIC) PREVIEW

THE BIG "3" OF LCA

ACADEMIC EXCELLENCE

BIBLE INTEGRATION

RESILIENT HOPE IN JESUS
