LCA FIELD DAY

Field Day was a huge success this year! Our students enjoyed a fun-filled day packed with exciting individual games as well as a majority of House games featuring Excelsior, Veritas, and Alacres. We were especially impressed by the encouragement, sportsmanship, and positive attitudes shown throughout the day. It was wonderful to see students cheering one another on, working together, and making lasting memories. This year, Veritas came home with the trophy, officially making every House a Field Day champion over the last few years!

ESA Update

The ESA ruling was passed on May 14th in our favor. The supreme court found that the lower court acted in error by granting an injunction and those bringing the injunction (appellees) must pay for all court costs. The injection blocked the distribution of funds while the court case went on. The case has not been decided or even acted on since. So now the same judge can hear the case but cannot block the funds while the case is being heard. Keep up the prayers!
